# Connector

KLS electronic

# **USB** Series

### KLS1-182 USB-AM SOLDER TYPE

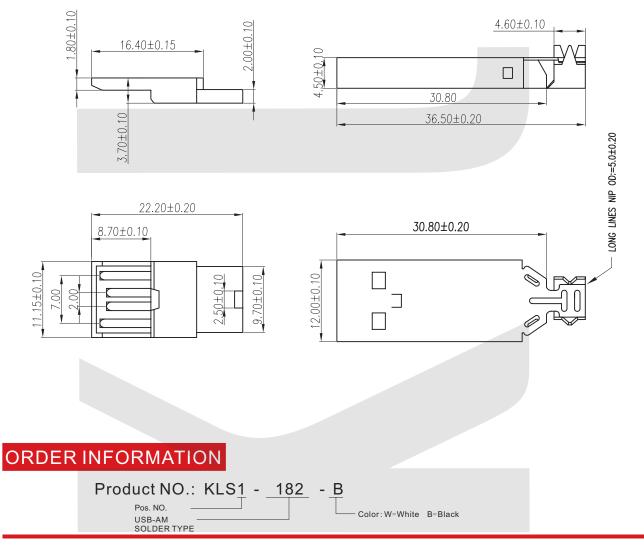

#### **Material:**

Housing: 30% Glass filled PBT UL94V-0 Contacts: Phosphor Bronze Pin Plated: Gold 3u" over 50u" nickel

### **Electrical Characteristics:**

Current Rating: 1 AMP Insulator Resistance: 1000M Ohm min. at 500 VDC Dielectric Withstanding Voltage:500 VAC / Minute Contact Resistance: 30m Ohm max. Temperature: -55°C ~+105°C

All specification & dimensions are subject to change, please call your nearest KLS sales represesntative for update information
